FORGET PASSWORD SETUP : SECRET SECURITY SETTING

6. Click at Secret Security Setting
7. Select Security Question
8. Insert Security Answer
9. Click Change

The screenshot shows a user profile page with a sidebar on the left and a main content area on the right. The sidebar contains the following menu items: User information, Change Password, Modify User information, and Secret security settings (highlighted with a red border). The main content area displays the 'Secret security settings' form, which includes a 'Question' dropdown menu with the selected option 'What's your father's name?', an 'Answer' text input field, and a green 'Change' button. The top navigation bar includes a back arrow, the user name 'User', the KPTM logo, and buttons for '中文' and 'Logout'.

10.

FORGET PASSWORD?

1. Click Forget Password? Link

The screenshot shows a login form with the following fields: Username (placeholder: username), Password (placeholder: password), and Verify Code (displaying 5589). A green 'Login' button is at the bottom, and a blue 'Forget Password?' link is located below the button.

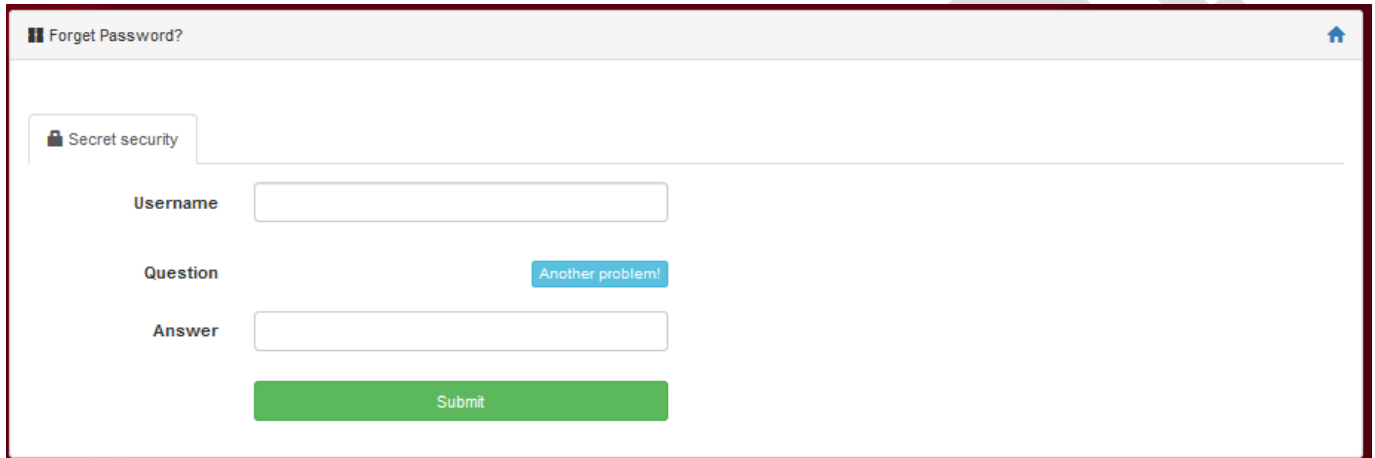

FORGET PASSWORD?

2. Click at Secret Security Link

The screenshot shows the 'Secret security' page with the following fields: Username, Question (with an 'Another problem?' link), and Answer. A green 'Submit' button is at the bottom. A red box highlights the 'Forget Password?' link in the browser's address bar.

FORGET PASSWORD?

3. Click at Secret Security Link
